**Kids for Haiti.** December 18 from 10 am to 4pm we will be having a **Kids for Haiti day** at the processing in Waterloo.

This event is geared at children 13 and under but not limited to just those families.

There will be different stages at which the children can learn about the country of Haiti along with crafts that they can make to put into the shoeboxes that they will pack for a child in Haiti.

For those of you that are within driving distance of our Processing Center in Waterloo I would encourage you to share this message with your contacts and also consider coming out yourselves to support this project. The registration will be through our Calgary office and I will update you when I have more information.

## **Why We Celebrate**

Why do we celebrate  
Jesus' birth at Christmas,  
though we don't know when He was born?  
It was necessary and inevitable  
that we select a date  
to celebrate an eternal miracle--  
the coming to earth  
of God in human form...Jesus,  
Who changed the entire world  
with His message of love,  
forgiveness, humility and peace.  
Christmas is an obligatory  
and indispensable holiday  
marking the transformation  
from guiltless selfishness  
to striving to follow His example  
of service to God and our fellow man.  
That is worth celebrating.
