## Adult Sunday School - 9:40 am.

Before churches began to use Sunday School, pastors used catechisms as a way to teach their people doctrine and to ground them in Scripture. Pastor Tyler will be leading a class through a Baptist Catechism during our Sunday School hour. The class will discuss foundational Biblical truths that all believers should know. This is also a great opportunity for parents looking for material to teach their children, to come and learn how to use this common learning device with their own families.
